ARTIST AND ART BLOGGER

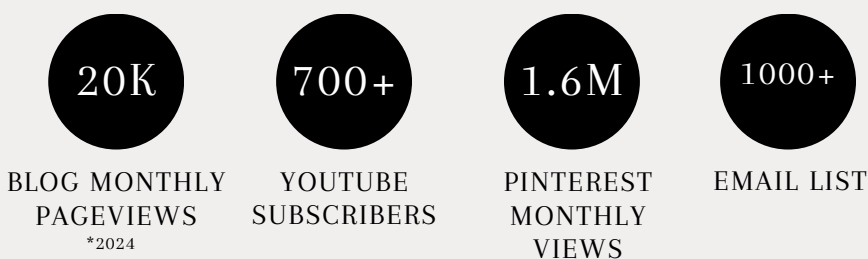

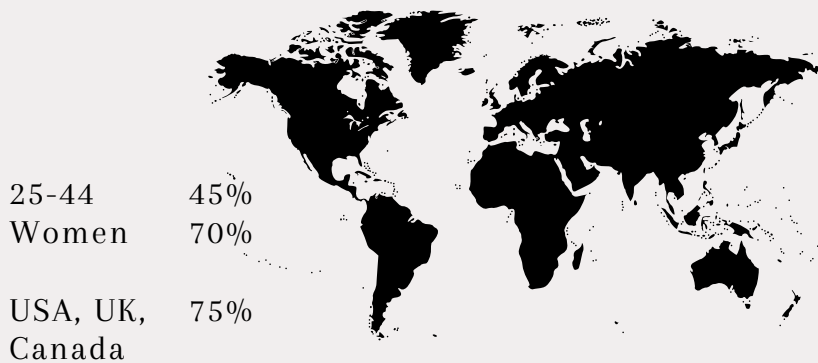

After working in marketing as CMO and leading ads manager I found myself burnt out. I didn't want to lose all my marketing skills and decided to combine them with my whole-life hobby - art & crafts. I started a painting blog that grew successful thanks to my SEO and content strategies.

**The blog:** [acrylicpaintingschool.com](http://acrylicpaintingschool.com)

**Categories:** acrylic painting, pouring, art supplies, gouache, crafts, epoxy, learning painting basics.

**YouTube:** [@artcraftblog](https://www.youtube.com/artcraftblog)

**Pinterest:** [@acrylicpaintingschool](https://www.pinterest.com/acrylicpaintingschool)

Brands I worked with: Resiners, Artistro, Artiqo, Paul Rubens, etc

# PRODUCT REVIEW PACKAGES

**The blog:** [acrylicpaintingschool.com](http://acrylicpaintingschool.com)

PACKAGE #1:

- Written Review article only

I will test the art supplies and I will create an SEO-optimized article of 1500 words minimum.

SEO-optimized articles means it has potential\* to rank on the 1st page of Google search and drive traffic to the product page consistently, becoming an evergreen source of sales.

The article will be published on my blog and stay there forever. The article includes a do-follow backlink to your website as well which can help boost your website authority.

Turnover: 14 days (after receiving the product)

PACKAGE #2

- Article + Youtube

All included in Package #1+ full Youtube video review (30+ minutes).

This way the review has double chances to reach more potential customers - through search engines and on Youtube.

Turnover: 30 days (after receiving the product)

If the products offer affiliate program, I will be joining the program as well.

# WHAT BRANDS SAY ABOUT WORKING WITH ME

Hi Maria,

I have just checked your video - yay, it is indeed a very thorough review. Thank you very much!

As for the blog, the correction you suggested is great - I appreciate your readiness to adjust the text as asked. So that is also good!

---

Hi Masha,

This is great, thank you so much! The Videos are amazing! 🥰🥰

---

Hi Masha,

Thank you for the update and sending me the links.

I read your blog and watched the video. You are really a careful and professional artist and reviewer. You have mentioned almost every aspect of the details.

Thank you for your pertinent comments on [REDACTED] and your kind words.

For all the issues and suggestions you mentioned in the video and article, I have fed them back to the product department.

Thank you very much for your advice to [REDACTED]. We do have a lot to learn from other brands, and we are also working hard to bring artists a better product using experience.

Thank you for the effort and time you put into this oil pastel set.

The blog and the video are so informative. I believe it will help people who want to try [REDACTED] set a lot!

It is a great honor to cooperate with you.
